

ACS / CUNY Informal Family Child Care Project

Do you care for children with special needs?

Home-based childcare providers and programs in New York City can now receive individualized **Special Needs Consultation** to support your work with children and families.

Consultation topics can include:

- Caring for a Child with Special Needs
- Understanding Special Needs Processes
- Special Needs Classifications
- Guiding Behavior for Children with Special Needs
- Special Education Referral Process in NYC
- Other topics related to your work with children with special needs

Special Needs Consultation is:

- ✓ offered at NO COST to you
- ✓ may be scheduled at convenience
- ✓ open to informal (*legally-exempt*) and licensed childcare providers who ARE NOT in a Family Child Care Network
